The following instructions were issued by the Tudeh Party on 15 November 1953:

- a. If wrestlers or football players are recognized among our comrades, send their addresses and contact signs.
- b. The Party needs an experienced, licensed driver who is trusted by his own Party district. If someone with these qualifications is known, send in his address and contact sign.
- c. Farviz Khonsari is a police agent. Comrades who know and are in contact with him should be careful.
- d. Those members who have not yet been contacted should send their contact signs to the District Committee.
- e. Those comrades who have in the past been warned by the Party that they are under police surveillance should again be careful and, if possible, change their places of residence.
- f. Send in a list of members who did not participate in the 12 November demonstrations, including their reasons for non-participation.
- g. In order to assist the recently suspended teachers and employees of the Ministry of Education, one-day income contributions will be collected by the teachers' faction. This should be considered a Party instruction and should be carried out accordingly.
- h. Most of our comrades are negligent in their payments, even in settling their membership fees and newspaper accounts. Bearing in mind the fact that all Party expenses are to be provided by means of payments by comrades, all accounts and debts should be settled during this week.
